(TEMPORARY ROAD CLOSURE NOTICE)**

### **STATEMENT OF REASONS**

In order to make the Carnival procession and the Float parking as safe as possible, and also allow safe pedestrian access to the Floats when parked, it is proposed to close the above mentioned roads at various times.

The procession, as it leaves Manor roundabout, will enter in to a traffic free area and as it progresses in stages, each section of road can then be opened to traffic behind it.

Emergency access will always be available.
