

ROAD TRAFFIC REGULATION ACT 1984

COMHAIRLE NAN EILEAN SIAR

(BERNERA BRIDGE (S132) - WEIGHT RESTRICTION (7.5T))

TEMPORARY TRAFFIC REGULATION NOTICE 2020

Comhairle nan Eilean Siar, under section 14 of the Road Traffic Regulation Act 1984 and all other powers enabling them on that behalf, hereby gives notice of a temporary weight restriction on the Bernera Bridge section of the B8059, an overall length of 100m or thereby as shown in blue on the plan annexed hereto (NGR: NB 16472 34202). This notice will apply for a period of 12 months from 14 August 2020 notwithstanding the date hereof.

The weight restriction of 7.5 tonnes (laden or unladen weight) is required to ensure the safety of the general public as a result of the structural condition of the bridge limiting its carrying capacity from standard highway loading of vehicles up to 40 tonnes (44 tonnes for articulated vehicles) as defined in the Road Vehicles (Authorised Weight) Regulations 1998. The restriction shall not affect pedestrians using the bridge.

Date: 24 December 2020

Signed for an on behalf of Comhairle nan Eilean Siar by

A handwritten signature in blue ink that reads "Timothy I. Langley". The signature is written in a cursive style.
