

COMHAIRLE NAN EILEAN SIAR

HOUSING (SCOTLAND) ACT 2006 PART 5

APPLICATION FOR HMO LICENCE

Guidance Notes

Application Form

Section 1

Please confirm whether the application is a new application, a renewal of an existing licence or an application for change of manager. If your application is a renewal application please include the licence reference number of your previous licence (this is set out at the foot of your licence). Please note that a renewal application can only be lodged while an existing, valid licence is in place. If your previous licence has expired then a new application is required. Please be advised that the statutory application process is the same for both new and renewal applications and therefore there is no mechanism for 'fast-tracking' renewal applications.

If you are making a new application for licence then your property must not be occupied as an HMO until a licence is granted. Allowing your property to be occupied as an HMO without a licence is a criminal offence and the Comhairle may commence enforcement proceedings against you and any manager you have appointed if the property is so occupied.

Please provide the full postal address of the property for which a licence is sought (as shown on your Council Tax statement). If the property is a flat then please ensure that the flat number is provided with reference to its position within the building, for example flat 1F2 if the flat is the second flat on the first floor above street level.

The day to day manager will be named on the licence as joint licence holder. If there is any change in the day to day manager an application for change of manager is required and your existing licence must be returned with the application. The Comhairle is required to satisfy itself that the proposed new manager is a fit and proper person to hold a licence and to issue a replacement licence once this has been confirmed.

Please provide contact telephone number on which you or your day-to-day manager can be contacted on a 24-hours basis. The Council will use this telephone number to contact you if complaints are received about your property and it will be set out in the neighbour notification notice that you will be required to provide to neighbours when your licence is granted.

Sections 2, 3

The application must be made in the name of the legal owner of the property. 'Owner' is defined as the person having a heritable interest in the property which is capable of being recorded in the General Register of Sasines or recorded in the Land Register.

If the applicant is a natural person, any maiden or previous name and place and date of birth must be provided. If the application is being made in joint names then these details must be provided for each applicant and one applicant must be identified as the day to day manager of the property. The Comhairle is required to copy your application to the police who require this information to carry out appropriate vetting checks.

If the applicant is a business, company or trust, details of all partners, company directors or trustees must be provided. Please ensure that any additional sheets used to provide the required information are stapled or otherwise secured to the application form. Please indicate the total number of people that will be living in the property, including any owner-occupiers, family members, lodgers and tenants.

Section 4

If a manager is to be appointed to take responsibility for managing the property on a day-to-day basis then this section must be completed. If the manager is not an individual person then a list of all directors/partners/trustees together with their names and addresses and dates and towns of birth must be provided and attached to the application form. If the applicant is a business, company or trust and not an individual, then details of a named individual who is to carry on the day-to-day management of the property must be provided in this section.

Sections 5 and 6

Subject to the Rehabilitation of Offenders Act 1974 if the applicant, manager or anyone named on the application form has been convicted of any crimes or offences in any court in the United Kingdom these must be detailed in this part of the form.

Section 7

All the requested additional information will require to be provided prior to licence approval.

Section 8

Before signing the application form, please ensure that

- All information provided on the application form is accurate and complete. It is an offence to make a false statement in submitting an application for licence;
- You have read the Council's data protection statement. By signing and lodging this application form you are deemed to have given consent for your personal data to be held and processed for the stated purpose;
- That you are aware of your obligations to display a site notice and to certify to the Comhairle that you have done so in terms of paragraph 2 of Schedule 4 to the Housing (Scotland) Act 2006 (see site notice guidance notes below); and
- That you have read the copy of the Council's Standard Licensing Conditions provided with this application form and that that you understand that any HMO licence granted will be subject to these conditions.

General Guidance

If anyone other than the applicant is involved in submitting the application or managing the property on a day-to-day basis, please indicate whether mail in connection with this application should be sent to the applicant, the day to day manager or to the applicant's agent. The Comhairle will not be responsible for any failure by a manager or agent to forward correspondence to an applicant.

Site Notice –Guidance Notes

Applicants have a statutory obligation to advertise a new or renewal application for licence with a site notice. A site notice is provided with the application form. This notice should be completed clearly and legibly. The notice must be displayed at or near the property in a position where it can be easily read by members of the public for a period of 21 days starting on the date on which your application is lodged with the Comhairle. You must take reasonable steps to protect the site notice and replace this if need be. At the end of the 21 day period part B at the foot of the site notice must be completed and the entire notice must then be returned to the Comhairle.

If the notice has been removed or defaced then you must provide the Comhairle with written confirmation that you displayed the site notice for 21 days as required and took steps to protect and replace the notice if appropriate. Please be advised that if the Comhairle does not receive written confirmation from you that a site notice was displayed then your application will be refused.

Submitting Your Application

Please ensure that you sign and date your application and enclose the required documentation along with the correct fee.

The application fee is set out in the enclosed Fee Table or are available from

<https://www.cne-siar.gov.uk/your-council/fees-and-charges/fees-and-charges-environmental-health-and-trading-standards/>

Please note that the application fee is non-refundable and is not dependent on grant of licence. It will not be refunded if your application is refused or withdrawn.

Floor Plan

The floor plan may be a simple line drawing but it must be accurate, preferably to scale but a close approximation would be acceptable. It must state the use of each room, and show the location of all windows, internal glazing (e.g. "stolen lights" between kitchens and bathroom, windows on the common stair and fanlights above doors), doors, stores/cupboards, sanitary facilities, extract fans and duct routes. If there are any timber linings to walls and ceilings in a kitchen and hall then should be noted on the drawing.

You should also note the location of any combustible appliance, telephone point or state the location of the nearest public telephone, the locations of any mains powered smoke or fire alarm system and indicate the location of electric sockets.

Other Information

Copies of your application will be circulated to the Northern Constabulary, Highland & Islands Fire Brigade and the Communities Department - (Planning, Building Standards & Housing).

You will be contacted to arrange for a suitable time for an inspection of the property. The inspection will usually be a joint inspection by Environmental health, Building Standards and the Fire Authority. Fire Safety is enforced separately by Highlands and Islands Fire brigade and they have separate powers to deal with any issues that arise, although they can still object to the issue of a licence.

Licence Standards

Comhairle Nan Eilean Siar must have regard to the *"Licensing of houses in Multiple Occupation: Statutory Guidance for Scottish Local Authorities"* when dealing with HMO licences, including the assessment of properties. It is available to download from: <https://www.gov.scot/publications/licensing-multiple-occupied-housing-statutory-guidance-for-scottish-local-authorities>

Police Scotland

All licence applications will be circulated to Police Scotland who will advise the Comhairle if you have any convictions which suggests that you should not be granted a licence. Any convictions, whether listed on the application form or not, will be considered.

Scottish Fire & Rescue Service

Fire Safety in Houses in Multiple Occupation is enforced by the Scottish Fire & Rescue Service. Guidance on compliance is available from <https://www.gov.scot/policies/fire-and-rescue>

Neighbourhood Objections and Complaints

Neighbours may raise an objection to a new or renewal application should they consider the landlord or manager is not a fit and proper person, or the premises are not suitable for use as an HMO.

In addition, neighbours may complain at any time to the Comhairle should they consider an existing licensed HMO:

- Is causing undue public nuisance or threat to public order or safety
- The landlord or the manager is no longer a fit or proper person.

All written complaints or objections should be sent to: Consumer and Environmental Services, Communities Department, Comhairle Nan Eilean Siar, Sandwick Road, Stornoway, Isle of Lewis, HS1 2BW.

Complainants and objectors will receive at least seven days notice should they wish to appear and be given the opportunity to speak to the Licensing Panel.

The Decision Process

Your HMO application will be considered within three months and the Council has to make a final decision on your application within 12 months.

The extended period is to allow applicants additional time to obtain any permissions, or to carry out necessary work that may be required before the licence is granted.

Should the 12-month period be insufficient, the Comhairle may in exceptional circumstances apply to the court to extend the licensing period. This is only likely to happen if you have arranged for an extensive amount of work to be carried out.

Applications that meet the standards and do not attract any local objections will be granted and the licence will be sent to you.

Applications will only require to be heard by the Licensing Panel where:

1. Objections have been received
2. The property does not meet the standards
3. The completed site notice has not been returned to the Comhairle.

The inspection report will detail any works needed to comply with the standards.

Should your application need to be heard, a letter will be sent inviting you, or your representative, to attend.

You will also be sent copies of all papers and objections to the application the Panel will be considering.

Issue of licence

Within 7 days of grant of licence you will receive a letter confirming the terms and conditions on which the licence has been granted and advising you of any right of appeal to the court.

Once the licence document is received by you, you should arrange to display the licence and a set of standard conditions attached to it in a prominent position within the premises.
