Fit with Ax	ne elements of the project fit within the LFDS st of the project elements fit with LFDS, although some do not nificant fit with FLAG proposals within the LFDS xis 4 Eligible Measures tent does the project meet with the eligible measures for grant	0 - 10
	ent does the project meet with the eligible measures for grant	0 - 10
	under EFF Axis 4?	
1 - 3 Lim 4 - 6 Sig or r	es not fit within any of the eligible measures ited evidence of fit within one of the eligible measures nificant evidence that the completed project would fit within one more of the eligible measures mpleted project will fit within one or more of the eligible	
	asures	
Is the project	ct located within a small fishing community? Is it within an area of low density or an area where fishing activity is in decline?	0 - 10
1 - 5 No, completed p	within an appropriate geographical area however Community within appropriate area may benefit from project ject is within appropriate geographical area	
4. Project ac	ctivity is eligible tent does the project involve fisheries community activity or fisheries	0 - 10
1 - 5 Sor	fisheries community involvement or benefit me community involvement or benefit nificant fisheries community activity or benefit	
Is the times	mescale appropriate cale given within the project application appropriate. Will the project add and all monies drawn down by 31 December 2015?	0 - 10
Dec	nescale not appropriate, project will not be completed by 31 cember 2015 nescale may be achievable	

	4 - 7 Timescale tight, will need careful monitoring to ensure completion	
	date is achieved 8 - 10 Project timescale is appropriate and should be achievable	
	10 1 Toject timescale is appropriate and should be achievable	
6.	Grant rate requested is appropriate	0 - 10
	O Grant rate requested is not appropriate	
	1 - 5 Grant rate requested is at an appropriate level	
7.	6 - 10 Grant rate requested is below maximum available Costs are accurate	0 - 10
• •		0 10
	To what extent are the projected costs for the project stages and the completed project accurate?	
	Costs are not accurate some projected costs are not accurate	
	1 - 3 some projected costs are not accurate4 - 6 Projected costs seem to be accurate	
	7 - 10 All projected costs are reasonable and accurate	
8.	Costs are eligible	0 - 10
	Are the prejected costs for the preject climble for great funding under EEE Avic 42	
	Are the projected costs for the project eligible for grant funding under EFF Axis 4?	
	0 None of the costs are eligible	
	1 - 5 Some of the costs are eligible	
9.	6 . 10 Most or all of the costs are eligible Value for Money	0 - 10
9.	value for Money	0 - 10
	To what extent does the project represent value for money when compared with the anticipated quantified outputs/impacts.	
	Project represents extremely poor value for money Project represents poor value for money	
	4 - 6 Project represents good value for money	
	7. 10 Project represents extremely good value for money in relation to	
40	outputs and impacts anticipated	2 12
10.	Equal Opportunities	0 - 10
	To what extent does the project actively promote the full and equal participation of	
	individuals and social groups in the local economy (all members of the community	
	and visitors).	
	0 Project meets minimum legal requirements only	
	1. 3 Limited evidence of equal opportunities consideration built into	
	project design	
	4 . 6 Evidence of equal opportunities considerations built into project	
	design and clear monitoring mechanisms 7 - 10 Significant evidence of positive action to combat discrimination and	
	promote inclusion of disadvantaged individuals and/or groups with	
	quantified targets	
11.	Signatory is appropriate	0 - 10
	The person who has signed the declaration is appropriate . has authority to sign	
	on behalf of the project.	
	0 Signatory is not appropriate 10 Signatory is appropriate
