Notes on the Schemes

Western Isles Rural Opportunities Programme (WIRO) - a Programme offering a mix of training and practical work experience for the long-term unemployed. Participants are placed with the Comhairle's Environmental Improvement Team.

Outer Hebrides – Managing Employment, Enterprise and Training – started on 1 April 2010, a European Social Fund supported Programme, targets the long term unemployed giving work experience with Comhairle Departments, other Employers or with Community sponsored employment initiatives. ESF support for this Programme finished on 30 April 2013.

Modern Apprenticeships - is a National Training Programme for the 16 plus age group. It offers a mix of training and work experience throughout the Western Isles leading to a recognised vocational qualification. Generally, it is targeted to last two years for those aiming at a Scottish Vocational Qualification (SVQ) Level II and three years for those working towards an SVQ Level III. This Programme is part funded through Skills Development Scotland.

Employability Fund – is a National Training Programme targeting all age groups and delivered in partnership with Cothrom and Lews Castle College UHI.

Hebridean Independent Living and Learning Service (HILLS) - The HILLS training Programme which is part of the Outer Hebrides Employability Support Programme currently provides training and employability support for adults with learning, physical or mental health needs. Able to operate throughout in the Outer Hebrides, it is funded by Comhairle Nan Eilean Siar and the European Social Fund.

Employee SVQ Training (Levels 2 to 4) – covers a range of Scottish Vocational Qualifications, mostly delivered in partnership with NHS Eileanan Siar and accredited by the Scottish Qualifications Authority. Peripatetic Assessment of candidates is part supported through the European Social Fund.

SVQ Assessor/Verifier Training - is a training Programme for those who assess Scottish Vocational Qualification (SVQ) candidates or those who verify SVQ candidate evidence produced against national standards. Certificates are awarded by the Scottish Qualifications Authority. This Programme is part supported through the European Social Fund.

Building Skills Grant Scheme - in consultation with the Construction Skills training body, the scheme provides financial support for the construction industry employers who recruit Modern Apprentices or who provide specialised “added value” training for their employees.

Harris Tweed Training – a Scottish Qualifications Authority approved training programme targeting new entrants and existing employees in the Harris Tweed industry.

Youth Employability Scotland (YES) Fund – A Scottish Government sponsored wage subsidy scheme for employees aged 16 – 24 years old. Lasting for up to 26 weeks the fund supports 50% of the appropriate National Minimum Wage. Closing date for entry to the “Yes” fund has been extended to 31 March 2014. On 28 February, 55 employees had been financially supported by the YES fund.
