Review of Education Provision: October 2013

CATCHMENT BOUNDARY FOR BREASCLETE SCHOOL AND SHAWBOST SCHOOL ISLE OF LEWIS

Report by the Director of Education and Children's Services

PROPOSAL

It is proposed that the catchment areas for Breasclete School and Shawbost School be defined as indicated in the ordnance survey maps which forms Appendix 1 to the Proposal Document with effect from August 2014.

INTRODUCTION

- 1.1 The Comhairle, at its Meeting on 12 September 2013, authorised the Director of Education and Children's Services to proceed to undertake the necessary statutory consultation with parents, staff, pupils and other interested parties affected by the proposal that the catchment areas for Breasclete School and Shawbost School be defined as indicated in the ordnance survey maps which forms Appendix 1 to the Proposal Document with effect from August 2014 as required by the Schools (Consultation)(Scotland) Act 2010.
- 1.2 While there is no legal requirement for a school to have a defined catchment area, local authorities use the definition as an administrative tool so that children living within a catchment area are normally provided with a place at the school serving that area.
- 1.3 Subsequent to the School Estate Review, resulting in the closure of 8 primary schools and S1/2 secondary provision at Shawbost School and Daliburgh School it is necessary to review school catchment areas to ensure that children and young people have access to the school closest to their home address. Currently a number of anomalies exist whereby children and young people's catchment areas result in them travelling to schools a significant distance from their home when there is a closer school available. In these circumstances, in order for parents to enrol their children in the school closest to their home, they have to submit a placing request and thereby incur additional transport costs.
- 1.4 This document relates to a proposal that the catchment areas for Breasclete School and Shawbost School be defined as indicated in the ordnance survey maps which forms Appendix 1 to the Proposal Document with effect from August 2014.

CONSULTATIVE PROCESS - SUMMARY OF PROCESS FOR THIS PROPOSAL DOCUMENT

Consideration by the Education and Children's Services Committee

- 2.1 This Proposal Document has been issued as a result of a decision approved by the Comhairle. This is to seek views on the proposal in this paper.

Proposal Document issued to consultees and published on Comhairle Web-site

- 2.2 A copy of this document will be issued free of charge to the consultees listed at Appendix 2. It will also be published on the Comhairle website: www.cne-siar.gov.uk

Publication of advertisement in local newspapers

- 2.3 An advertisement will be placed in the Stornoway Gazette and the West Highland Free Press. In addition, there will be announcements related to the Consultation process on the local radio station, Isles FM, and Radio nan Gaidheal.

Length of Consultation period

- 2.4 An advertisement will be placed in local newspapers on Thursday, 24 October 2013. The consultation will thereafter run until close of business on Wednesday, 11 December 2013, which includes a period of 32 school days.

Public meetings

- 2.5 Public meetings will be held on Wednesday, 27 November 2013, the details of which are given in Section 3 of this document.

Involvement of Education Scotland

- 2.6 When the Proposal Document is published, a copy will also be sent to Education Scotland by the Comhairle. Education Scotland will also receive a copy of any relevant written representations that are received by the Comhairle from any person during the consultation period or, if Education Scotland agree, a summary of them. Education Scotland will further receive a summary of any oral representation made to the Comhairle at the public meeting that will be held and, as available (and so far as otherwise practicable), a copy of any other relevant documentation. Education Scotland will then prepare a report on the educational aspects of the proposal not later than 17 January 2014 after the Comhairle has sent them all representations and documents as mentioned above. In preparing their report, Education Scotland may visit the affected schools and make such reasonable enquiries of such people there, as they consider appropriate, and may make such reasonable enquiries of such other people as they consider appropriate.

Preparation of Consultation Report

- 2.7 The Comhairle will review the proposal having regard to the Education Scotland Report, written representations that it has received and oral representations made to it by any person at the public meeting. It will then prepare a Consultation Report. This report will be published in electronic and printed formats and will be advertised in local newspapers. It will be available on the Comhairle website and from Comhairle Headquarters, as well as at the affected schools, free of charge. Anyone who has made written representations during the consultation period will also be informed about the report. The report will include a record of the total number of written representations made during the consultation period, a summary of the written representations, a summary of the oral representations made at the public meeting, the Authority's response to the Education Scotland Report as well as any written or oral representations it has received, together with a copy of the Education Scotland Report and any other relevant information, including details of any alleged inaccuracies and how these have been handled. The Report will also contain a statement explaining how it complied with the requirement to review the proposal in light of the Education Scotland Report and representations (both written and oral) that it received. The Consultation Report will be published at least 3 weeks prior to the Comhairle making a decision.

Decision

- 2.8 This Consultation Report, together with any other relevant documentation will be considered by the Education and Children's Services Committee on 15 April 2014 which will make a recommendation. This recommendation will then be subject to the approval of the Comhairle on 24 April 2014.

Note on Corrections

- 2.10 If any inaccuracy or omission is discovered in this Proposal Document either by the Comhairle or any person, the Comhairle will determine if relevant information has been omitted or, if there has been an inaccuracy. The Comhairle will then take appropriate action which may include the issue of a correction or the reissuing of the Proposal paper or the revision of the timescale for the consultation period if appropriate. In that event, relevant consultees and Education Scotland will be advised.

PUBLIC MEETINGS

- 3.1 Public Meetings will be held to discuss the proposal. Anyone wishing to attend one of these public meetings is invited to do so. The meetings will be convened by the Comhairle and will be addressed by representatives of the Education and Children's Services Department and other senior officers of the Comhairle.
- 3.2 The meetings will be an opportunity to:
- hear more about the proposal;
 - ask questions about the proposal;
 - have the views of all stakeholders recorded so that they can be taken into account as part of the proposal process.
- 3.3 Arrangements for the meetings are as follows:

Venue	Date	Time
Breasclete School	Wednesday 27 November 2013	5.30pm – 7.00pm
Shawbost School	Wednesday, 27 November 2013	7.30pm – 9.00pm

- 3.4 Note will be taken at the meetings of questions and views. These will be published on the Comhairle web-site, and copies will be made available on request. The meetings will also be recorded.
- 3.5 The Comhairle will also take into consideration any written or electronic submissions on the proposal, which may be submitted to schoolconsultations@cne-siar.gov.uk or to the **Chief Executive at the Comhairle Offices, Sandwick Road, Stornoway HS1 2BW, to arrive not later than 5.00pm on Wednesday, 11 December 2013.**

GENERAL BACKGROUND TO THE NEED FOR A REVIEW

- 4.1 Subsequent to the School Estate Review, resulting in the closure of 8 primary schools and S1/2 secondary provision at Shawbost School and Daliburgh School, it is necessary to review school catchment areas to ensure that children and young people have access to the school closest to their home address.
- 4.2 Currently a number of anomalies exist whereby children and young people's catchment areas result in them travelling to schools a significant distance from their home when there is a closer school available. In these circumstances, in order for parents to enrol their children in the school closest to their home, they have to submit a placing request and thereby incur additional transport costs.

KEY FACTORS

School Rationalisation and Catchment Areas

- 5.1 Appendix 3 provides the current school roll for both schools. Breasclete School has a current roll of 36 pupils and a capacity for 46 pupils. Shawbost School has a current roll of 65 pupils and a capacity for 104 pupils. It is not anticipated that there will be a growth in population that will require additional education provision within this community area.
- 5.2 The closure of Bragar and Carloway Schools has resulted in a school catchment area for Breasclete and Shawbost Schools extending to approximately 17 miles from the villages of Arnol to Garynahine. This has resulted in a situation where some children attend a school that is not the school nearest to their home.
- 5.3 Currently, for some parents who wish to send their child to their nearest school, they are required to make a placing request and to either transport their children to school or meet the costs of public transport. Primary pupils living more than 2 miles from their designated primary school have access to free transport.

- 5.4 In order to address this anomaly it is proposed to that the school catchment area be redefined in order to reflect parental placement choices and to reduce travelling distances.

CONSULTATION PROPOSAL

- 6.1 It is proposed that the catchment areas for Breascleete School and Shawbost School be defined as indicated in the ordnance survey maps which forms Appendix 1 to the Proposal Document with effect from August 2014. This would entail moving the previous catchment boundary from the north end of Breascleete village to just past the northern road end junction on the A858 into the village of Tolstachaolais which would effectively move the village of Tolstachaolais into the Breascleete School catchment area.

EDUCATIONAL BENEFITS STATEMENT

Affected Schools

7.1 Background

The school estate review ensured that Breascleete School and Shawbost School could accommodate current and future pupil numbers and provide an improved school estate.

Curriculum

- 7.2 Breascleete and Shawbost Schools, as a consequence of the school estate review, have enhanced environments with more appropriate class groupings which promote learning and teaching. Both schools provide a wide range of learning experiences and outcomes compliant with the requirements of Curriculum for Excellence and have very good physical resources in outdoor and practical areas.

Learning Environment /Resources

- 7.3 Breascleete and Shawbost Schools benefit from access to a wide range of facilities including specialist classrooms and flexible teaching areas which have been adapted or were built to meet the changing nature of education in the 21st century, including the requirements for the delivery of a Curriculum for Excellence.

- **Information and Communication Technology (ICT)**

Breascleete School has wireless internet access throughout most of the school and in all classrooms. Each classroom has an Interactive Whiteboard and two computers. (One classroom also has an additional laptop). The school has a 'Class in a box' with ten netbooks. Shawbost School has access to an extensive range of ICT resources including Smartboards in all classrooms, computers, laptops and netbooks. There is wireless internet access throughout both schools.

- **Additional Support Needs (ASN)**

Breascleete School and Shawbost School have the facilities to cater for the needs of all children, including those with additional support needs.

- **Gaelic Medium Education**

Breascleete School and Shawbost School provide Gaelic Medium education at both primary and pre-school levels.

Accessibility of Premises

- 7.4 Breascleete School and Shawbost School are Disability Discrimination Act 2005 (DDA) compliant.

Extra Curricular Activities

- 7.5 Breascleete School will have for the upcoming term two afterschool clubs in operation. STEM club for P5-7 pupils and a sports club for P1-4. Shawbost School afterschool activities will commence next term.

Likely Effect on the Local Community

- 7.6 It is believed that the proposal will not be detrimental to the local community and will have no impact on social or economic activities in the Breasclete or Shawbost Schools' catchment areas.

Implications for Pupils Enrolment

- 7.7 If the proposal is implemented for August 2014 the pupils currently enrolled in either school may choose to remain in their current schools or transfer immediately to their new catchment school.

Pupils currently enrolled in either school will not incur additional transport costs as a result of these proposals for the 2013/14 academic session. However, a placement request would require to be made for any new pupils not wishing to attend their catchment school in the 2014/15 academic session and thereafter.

Travel

- 7.8 The proposal will reduce the travel time for those children affected by the boundary change.

Staff Transfer

- 7.9 It is not anticipated that the number of pupils affected by the boundary change will significantly affect the rolls of either school and therefore there will be no staff transfer implications.

Summary of Educational Benefits

- 7.10 Attending either school offers the same educational benefits. Both schools offer:
- curricular and extra-curricular activities for pupils;
 - flexibility in grouping pupils for learning and teaching;
 - flexibility in the deployment of staff to meet learning needs;
 - opportunities for staff to share effective practice and a wide range of learning and teaching approaches;
 - good opportunities to provide school improvement.

CONCLUSION

- 8.1 In order to reflect parental choices and reduce travelling time for some pupils it is proposed that the catchment areas for Breasclete School and Shawbost School be defined as indicated in the Ordnance Survey maps which forms Appendix 1 to the Proposal Document with effect from August 2014. This would entail moving the previous catchment boundary from the north end of Breasclete village to just past the northern road end junction on the A858 into the village of Tolstachaolais which would effectively move the village of Tolstachaolais into the Breasclete School catchment area.

PROPOSED CATCHMENT AREA

SCHOOL	CATCHMENT AREA
Breasclete	Breasclete, Callanish, Garynahine, Grimersta, Linshader, Tolsta Chaolais.
Shawbost	Arnol, Bragar, Carlway, Dalbeg, Dalmore, Doune Carlway, Shawbost.

APPENDIX 1

Proposed catchment areas for Shawbost School/Breascleite School

Appendix 2

The consultation will be open to all relevant stakeholders. The groups that will be specifically consulted are:

- Parents of pupils in affected schools;
- Pupils of any affected school;
- Staff (teaching and other) of any affected school;
- Parent Councils;
- Parents of children who may attend affected schools within two years of any proposal being published;
- Trade Unions,
- Community Councils;
- Outer Hebrides Community Planning Partnership;
- Bord na Gaidhlig.

Staff and pupils will be consulted separately from the public meetings indicated in this Proposal Document.
