At this point Chair opened to meeting to Bayble Playpark Committee

The new playpark committee informed the meeting that they are progressing well with their plans for the playpark.

The are trying to organise the transfer of the original bank account or at least open a new bank account. They were informed that as soon as their account is opened, and information regarding new committee members is sent to the Secretary, PCC will transfer the funds being held to their account.

They advised the Committee their concern re the condition of the complete areas of the park, and are currently seeking quote for a massive clean up and maintenance of the ground. Chair advised them to go ahead and get quote for all the work, and if the bank account was not active, to pass the invoice to PCC for payment. Chair confirmed that any correspondence from the previous Committee could be passed on to the new Committee.

Bayble Playpark Committee left the meeting.
