## CIVIC GOVERNMENT (SCOTLAND) ACT 1982

### APPLICATION FOR SHORT-TERM LET LICENCE GUIDANCE NOTES

#### Background

Operators with certain short-term lets required to be licensed from 1 October 2023 (new) /1 April 2023 (existing). A separate licence is required for each let.

Licenses will normally last for 3 years and a renewal application must be made before an existing licence expires.

Although paper application are accepted it is preferred that hosts/operators apply online at : [www.cne-siar.gov.uk](http://www.cne-siar.gov.uk).

Whether you are applying for the first time or renewing an existing licence please read these notes before you begin.

**Exemptions** There are exemptions from the requirement to be licensed. If you are doing short-term lets but think you may be exempt, then please contact us for advice.

**Before you begin** The licence application form will ask for your personal details and information about your let property.

The form will also ask you to confirm that you comply with various licence conditions and may ask for supporting evidence. If you need further information on what these conditions mean, please contact us or visit our website.

**Keeping your licence up to date** As a licence holder you are required to keep your details up to date. This includes any personnel and email addresses.

#### **GUIDE TO COMPLETION - Sections**

##### **S1 Type of application**

Please confirm whether the application is a new application, a renewal of an existing licence or an application for a variation or change in circumstances (please make it clear why you are requesting a variation/change).

If you are applying to renew your licence, please include the reference number of your previous licence (this is set out at the foot of your existing licence). Please note that a renewal application can only be lodged while an existing, valid licence is in place (this allows the existing licence to cover the activity until the renewal application is determined). If your previous licence has expired, then a new application is required and if you continue to operate then you are operating without a licence. Please be advised that the statutory application process is the same for both new and renewal applications and therefore there is no mechanism for 'fast-tracking' renewal applications.

Initial and Temporary licences allow the option of competent applications being determined within 28 days, subject to getting satisfactory responses from statutory consultees. By applying for an initial and temporary licence, there is no guarantee that it will be determined within 28 days. Due to the added administrative cost of processing a temporary and initial licence application there will be an added variation licence fee added to the licence application cost.

**PLEASE INDICATE IF YOU ARE APPLYING AS AN INDIVIDUAL OR AS A NON-INDIVIDUAL.**

##### **S2 If you are an individual**

*This section should only be completed by an individual applicant. If you are completing on behalf of a partnership, charity or company, please only complete Section 3*

Please fill in all sections for the applicant and for all any agents or day-to day managers.

Please remember to include the address history covering 5 years for the applicant and agents or day-to day managers.

You will also need written/emailed consent from all owners of the property that they have consented to this application. A template consent form is included at the end of this form.

##### **S3 If you are applying on behalf of an organisation**

Please tell us the organisation name, your name and your position in the organisation, along with the organisation's Company Registration Number, if it has one. If the organisation is a registered Scottish Charity, please tell us the registration number. If you are applying on behalf of a Trust, please contact us for further advice.

Your organisation must have at least one employee/agent who is named to carry out the day-to-day management of the business.

##### **S4 Convictions**

##### **S5 Previous licence applications**

The [Scottish Government Benchmarks](#) for small B&B and Self-catering Property advises that where a property has more than three bedrooms, smoke alarms should also be installed in each bedroom. (In such case, the smoke alarm(s) installed in the hall or corridor need not meet the 3 m requirement). Further guidance is available on our [website](#).

##### **S6b Furnishings & Furniture**

Licenses must keep records showing that all upholstered furnishings and mattresses within the parts of the premises which are for guest use, or to which the guests are otherwise permitted to have access, comply with the [Furniture and Furnishings \(Fire Safety\) Regulations 1988](#).

##### **S6c Gas Safe certificate**

Where a let property uses a gas supply it must be covered by an annual Gas Safe certificate. This certificate is issued by a registered Gas Safe engineer. All gas equipment supplied as part of the let (including gas BBQs & heaters) should be checked.

##### **S6e Electrical Safety**

All let properties must have a current Electrical Installation Condition Report (EICR) or a current Electrical Installation Certificate (EIC) at the time of let. An EIC certificate is appropriate if the electrical installation is less than 5 years old, an EICR certificate must be renewed every 5 years. EICR and EIC

certificates can be issued by a suitably qualified electrician. Please submit all pages of the report/certificate.

### **Electrical appliance testing**

In any let property where you supply electrical appliances portable appliance testing (PAT) must be carried out at least every 5 years by a competent person.

### **S6f Private water supply (PWS)**

All STLs with private water supplies (not supplied by Scottish Water) must be regularly maintained and will be tested by the Comhairle annually. There is a separate charge for this.

### **S6g Legionella**

Legionnaires' disease is a potentially fatal form of pneumonia caused by the inhalation of small droplets of contaminated water containing Legionella. All water systems can provide an environment where Legionella may grow.

The licensee has a duty to ensure the legionella risk is managed. More information on Legionella is available from the [HSE](#). There is a template assessment on the [Comhairle website](#).

### **6h Safety & Repairing Standard**

- fire, gas and electrical safety information,
- details of how to summon the assistance of emergency services,
- a copy of the gas safety report (if applicable),

- a copy of instructions as to what guests should do in the event that the carbon monoxide alarms sounds and, where relevant.

### **S6j Energy performance**

Premises that require Energy Performance Certificates (EPCs), including houses and flats, must provide proof of their EPC and display it in any adverts.

### **S6k Insurance**

Licensees must ensure that they have the following:

- valid buildings insurance for the duration of the licence, and
- valid public liability insurance for the duration of each short-term let agreement.

### **S6l Plans**

Applicants are expected to submit a floor/layout plan of the premises of a standard that reflects the complexity of the premises, the number of floors and number of requested guests. Drawings/plans should at least have details/locations of:

- room sizes,
- any steps, stairs, elevators or lifts,
- sanitary and cooking facilities,
- any beds, including type (i.e. double, bunk beds). Where rollaway/folding/sofa beds are used their location and footprint should be clearly detailed in the floor plan,
- any heat/smoke/CO detectors or other fire systems
- any fires/wood burners/stoves & oil/gas boilers.

Simple drawings/sketches are acceptable for simple short-term lets but the Comhairle may ask for more detailed drawings, particularly for larger properties and those with guests on multiple floors or with a high guest to floor area ratio. It is expected that a single sized bed sleeps one person and a small double bed (or bigger) sleeps 2.

### **S6m Equipment**

The licence holder must ensure any equipment provided is fit for purpose and safe to use at all times for guests.

### **S6n SFRS Fire Safety Checklist**

All owners of the premises must give written/email consent to the application.

### **S11 Declaration**

Applicants are required to complete and sign the declaration.
