Date (dd/mm/yy): 18 November 2024

IMPORTANT NOTES

1. Any person who intends to commence the consented development must once inform the planning authority of that date as soon as practicable. This notice may be submitted at any point prior to the work commencing.
2. Check the planning conditions on the consented development. You may be required to submit information to satisfy certain planning conditions before you start.

- 3. Failure to submit a Notice of Initiation of Development before start of work is a breach of planning control. Failure to commence work on the exact date on this notice (eg at some later date) is not a breach of planning control.**
