Matters arising from last meeting:

**Toilets at Dalmore:** Toiletries were paid for; Martha Warburton was paid.

**Admin Fund:** So far no correspondence from council and we are waiting for the Admin Grant - RF to check with council

**Play park:** The play park is in bad state and would need renovating. SU has a list of what needs to be done (fix the fence, swing missing). Possibly apply with SSEN fund. SU also mentioned that she talked to the Community Association. It is also a safety issue - SU will look into exact cost.

**Notice boards:** We are waiting for update (information board for tides & information on wild life) - RF to see if he can draft a sample board.

**Wreaths for Remembrance Day:** IM offered to do the wreath for Carloway on Remembrance Day

**Finances:** IM noted that the Accounts are looking good. Most of the money goes to Dalmore toilets and rent for the COS hall.

**Skip:** JM offered to do a skip shift

It was discussed that Carloway Pier will be getting their own skip; a tidy up is being organised.

**Picnic Area:** SE offered to do the tree pruning;
