Dear Morag,

**Planning Approval: 21/00646 – Sub-Orbital Vertical Launch Spaceport Facility, Scolpaig, Balemartin, Isle of North Uist – Condition 12 – Dust Mitigation and Construction Site Waste Management Plan.**

MacAulay Askernish Ltd., the Contractor appointed to carry out the Enabling Works Contract at the Sub-Orbital Vertical Launch Facility at Scolpaig, has provided the appended "Project Environmental Plan". The Contractor's "Project Environmental Plan" contains details of their Dust Mitigation Plan and Construction Site Waste Management Plan.

The Enabling Works Contract, includes the upgraded entrance and car parking adjacent to the A 865, the upgrading of the access track to Scolpaig farm including the upgrade of the causeway between the two parts of Loch Scolpaig, the hard standing at Scolpaig farm and a portion of the road between Scolpaig farm and the launch pad. The extent of the work is shown on Fraser Architecture LLP drawing 24-05 (00)21 Revision 1 Site Plan which is also appended.

On behalf of Comhairle nan Eilean Siar, I seek your written confirmation that the MacAulay Askernish Ltd., "Project Environmental Plan" is sufficient to satisfy the requirements of Planning Condition 12.

I look forward to hearing from you.

Yours sincerely,
