| 7<br><b>COUNCILLOR UPDATE</b>     | <p>GF- housing has been a priority and the Leverburgh housing has moved on and they are now looking for a site manager. There was a £37500 shortfall and CNES had asked for CEF to cover this. This was unanimously refused by the Harris Forum and the Council seem to have found the shortfall elsewhere.</p> <p>Budget meetings have been held and there is a lot of pressure to cut costs.</p> <p>There have been lots of complaints re unadopted roads in Harris but there is no money to repair these.</p> <p>Ward funding has been cut to £5000 per Cllr and they already committ to give money to Crossroads so the amount available has been cut.</p> <p>Education – the SES sgoil Araich and the Leverburgh Nursery have been having problems/<br/>Harris in Bloom – they are trying to establish who various pockets of land belong to.<br/>GF will look at the railings at the bottom of MacQueen st and if they have not been repaired he will ask about this.</p> <p>PF- The planning has gone in for the Scott Road housing development. AM asked about the lack of infrastructure and what would happen re things like Sgoil Araich, School, GP and other medical services when these new houses were populated. It was agreed infrastructure is a problem.</p> | GF           |       |
| 8<br><b>HARRIS FORUM</b>          | <p>The last meeting dealt with the issue of the shortfall for the Lev housing project, CEF, nursery provision, it was agreed to adopt a document more akin to the Islands Plan for the Harris Plan.</p> <p>They were hoping to have a Tourism Working Group.</p> <p>Spotlight sessions were approved and MMI and DMD have discussed this and feel it might be better to go tp the CC s with this.</p> <p>With the NHCC agreement it was hoped to have 2 sessions in Tarbert .</p>   |              |       |
| 9<br><b>ONLINE BANKING</b>        | <p>Am asked if it was possible to sign up to online banking as this would make it easier to pay bills etc. Those present all agreed and DMD will speak to the bank the next time they are in Tarbert. DMD will also be added to the account as a signatory.</p>   | DMD          |       |
| 10<br><b>TARBERT IN BLOOM</b>     | <p>GMD and DMD met with Tania MacLeod and Jocelyn Corderoy – there has been grass cutting done already and the place looks better. It is difficult to understand who the different areas in and around Tarbert belong to. They are going to approach the Land Owners, Local businesses and the Council for funding. GF said he had asked the Council but there was no funding available however the Cllrs would allocate some of the ward funding. It was agreed that the CC would also grant £200 to this project and DMD will double check who the money is to go to.</p>   | DMD          |       |
| 11<br><b>Funding Applications</b> | <p>NH bowls club have asked for funding to help with their running costs and purchase of equipment. They have 20 members and run 6 months of the year (over the winter months.
