

COMHAIRLE NAN EILEAN SIAR: 26 NOVEMBER 2024

Notice of Motion

Proposed by Cllr Frances Murray, seconded by Cllr Susan Thomson

That the Comhairle believes the UK Government should fully reimburse the over £500m added costs of employer National Insurance contributions to the public and third sectors in Scotland as a result of the UK Autumn Statement, and that this should include full funding for Comhairle nan Eilean Siar and every Scottish local authority; and recognises that if the Chancellor does not fully reimburse these costs this will have a detrimental impact on the services the people of Scotland rely on, including here in Comhairle nan Eilean Siar.
