Ford Crossing: NGR E: 113914 N:921779

Ford Crossing: NGR E: 113882 N:921609

Proposed Site location: NGR E: 114242 N:919843

NOTES:

1. ALL DIMENSIONS IN MM UNLESS OTHERWISE NOTED.

DIRECTIONS TO SITE: There are 2 routes to site on a B class road from the A858. You can access by the B8011 towards Morsgail Lodge. The site is then accessed over a wooden bridge (shown in photos below) via ATV following the existing route which could cause concern delivering plant and material to site - best solution would be localised drops via trail due to distance and terrain of the ATV route.
