

OUTER HEBRIDES COMMUNITY LED LOCAL DEVELOPMENT

Priorities for 2024-25:
Community Wealth Building;
Supporting children and young people; and
Dùthchas and Dualchas (with a focus on identifying new approaches that can lead to economic benefits).

.....
Working towards Net Zero;
Transport; and
Fair Work and Employability.

Collaboration & Community Empowerment through inclusion, equality and diversity

Community Engagement

- LAG “roadshow”
- Engagement (visits?) with previous recipients of CLLD funding
- Identifying (future) priorities
- Communications strategy
 - Good news stories & examples of funded projects
 - Ways for community to actively contribute to CLLD

Grant Scheme(s)

- Decide Fund details (taking account of the priorities already identified)
- Review score sheet
- Score & award fund
- Follow up with projects/project evaluation

YLAG

“Visioning” and developing our communities of the future.
Given freedom to operate fairly autonomous of the LAG.

- Delivery of own programme of activity with a particular focus on benefiting young people.
- Engagement and collaboration with national (& international) youth network (via SRA?)
- YLAG member joins LAG

Strategy Development

- Review LAG governance, capacity & membership
- Link to other organisations & strategies
- Engage with and contribute to SG policy
- Programme evaluation
- Identify gaps & how to address these
- Identify learning & dissipate this
- Develop future strategy (taking account of priorities identified in strands 1 & 3)

Admin & Animation

- Admin support for the programme
- Monitoring & evaluation of progress and budgets
- Day-to-day link between LAG, YLAG, AB and SG
- Representation of OH CLLD locally and nationally
- Development of CLLD network locally & nationally.

Direct action in & by communities with obvious positive impacts.

Increased awareness of CLLD, reinforcing messages of “Community Engagement” strand.

Strong & effective youth voice.

Inform LAG priorities & strategy

LAG assured that their work is effective and impactful. Clarity on future priorities & how to achieve these.

Efficient implementation of the CLV.

Increased awareness of CLLD. LAG understand communities’ priorities and how they can best support these.
