

Youth LAG Film & Professional Development Project

The Outer Hebrides Youth Local Action Group (Youth LAG) are excited to announce a new, paid opportunity for a young filmmaker (under 30) from the Outer Hebrides and/or currently living here. The aim of this project is to allow the young filmmaker to develop professionally while raising the YLAG's profile locally and nationally.

There are three main outcomes for this Project:

- Undertaking an element of professional development and preparing a short report on this;
- A short film (minimum 3-5 minutes) showcasing the Youth LAG and the Outer Hebrides;
- Footage to contribute to a national Youth LAG film.

The use of Gaelic within the project (multilingually or as the sole language) is desirable and will be seen as an advantage to any proposal.

The total budget available is £4,000.

Who can apply?

To be eligible to apply you must be:

- under 30 years of age at the time of applying;
- from and/or currently resident in the Outer Hebrides with an interest in local culture;
- a professional filmmaker or working towards becoming one.
