## SPORT AND HEALTH & ClubSport Lewis & Harris Sportscotland & Children 1<sup>st</sup>

### Child Wellbeing & Protection in Sport Training Virtual Workshop – **From comfort of your home**

**Monday 13<sup>th</sup> May 2024 6.00 – 9.00pm**

ClubSport Lewis and Harris club member Coaches – **FREE**

**Non – members of ClubSport Lewis and Harris - £30**

This workshop is **free** for ClubSport L&H members to attend but to encourage attendance and try and ensure a good turnout to benefit all delegates, we will charge a **non-attendance fee of £30.00 per delegate**. By submitting a booking for this workshop, you agree to pay this fee for those delegates who have places booked but do not attend.

This training will provide you with the knowledge on Child Wellbeing and Child Protection that will give you the confidence to deal with issues that may arise in your role working with children. This training also reflects the Standards for Child Wellbeing and Protection in Sport. There are 2 parts to the training. The eLearning module (module 1) introduces you to the basic theory, knowledge and practice which underpin child wellbeing and protection in sport. This module will help you to prepare for module 2 which is a 3-hour virtual training course lead by one of sportscotland's approved tutors. The main change from the previous training SPC, is that each learner **MUST** complete Module 1 before attending module 2. The CWPS eLearning module 1, learners will receive login details for brightspace (sportscotland's virtual learning platform) via email from [d2lsupport@learninginsport.brightspace.com](mailto:d2lsupport@learninginsport.brightspace.com)

**It is important to book a place on the workshop that coaches/volunteers must complete the attached booking for and return it to myself no later than 2 weeks before the workshop takes place. This will allow brightspace to email you out the information you require for module 1**

By the end of module 1 learners will be able to:

- Understand what is meant by 'child wellbeing and protection'
- Recognise the value of a child-centered approach to child wellbeing and protection
- Identify good practice in relation to child wellbeing and protection and how this impacts the sports environment
- Recognise the legislative and policy framework around child wellbeing and protection
- Identify and respond to possible child wellbeing or protection concerns
- Identify the limits of your safeguarding role and know when to get support

By the end of module 2 learners will:

- Be introduced to the *Spectrum of Practice* and use it to consider, evaluate and respond to common coaching scenarios
- Receive an introduction to the factors that create a culture of poor practice
- Identify barriers to disclosure
- Cover the process for responding to concerns
- Put the responding to concerns process into practice to deal with several complex cases
-
