Building Standards

Do I require a Building Warrant for Agricultural Building?

This form is for buildings of agricultural use and not for domestic, commercial or industrial use.

The following information is required to enable an assessment to be made as to whether or not a Building Warrant is required.

PLEASE ANSWER ALL OF THE QUESTIONS

1. Your Details

Name:

Address:

.....

Telephone: E-Mail:

2. Location of proposed building if different from above

Address:

.....

3. Proposed Work

Description of Works:

.....

4. Materials to be Used

Walls:

.....

Glazing:

.....

Roof:

.....

Measurements

Internal Floor Area:

Height to Eaves:

Height to Ridge:

Distance to

Nearest Boundary:

5. What is the proposed building use?

.....

6. Will it be used to any extent for retailing or exhibiting?

.....

7. Is the proposed building to be attached to an existing building? YES / NO

8. Plan of existing situation and proposed building

Please provide a location plan or block plan of the site to show the location of the proposed works in relation to any existing buildings and site boundaries. It would be helpful if you could also please provide us with a sketch of the proposed works and of any existing layouts / buildings being extended or altered etc. Please ensure that all relevant dimensions are shown (e.g. height, width, length, and distance from boundary and buildings). You may use the reverse side of the page to sketch this.
