

Child Protection Multi Agency Training Pathway

Wider Workforce
Complete own organisations corporate induction training or equivalent basic awareness

Level 1- TURAS e learning
This informed level module provides information to promote the protection and wellbeing of children
Complete by ALL multi agency staff before attending General Workforce

Refresh Level 1 TURAS eLearning Every 3 Years

Level 2- TURAS e learning
This skilled level module is to support those working directly with children and their families to recognise their role in child protection in a multi-agency context.
Complete before undertaking SPECIFIC WORKFORCE trainer led training)

Refresh Level 2 TURAS eLearning Every 3 Years

General Workforce - Trainer Led Session
As part of their job/role/remit, people in this workforce group are likely to:

- Require a protecting vulnerable groups (PVG) check
- Recognise potential signs of harm and abuse
- Raise a protection concern through the appropriate route
- Contribute relevant and appropriately recorded information to assessments/reports

Specific Workforce – Trainer led Session
All staff who, as part of their role, work directly with children or their family. People in this workforce group are likely to require a PVG and to:

- Routinely work closely with children and their family, including supporting learning, health, practical or skill development in children, parents or supporting family time between children/parents
- Keep routine records, write reports and/or assessments for multi-agency child protection meetings, participate in child protection support plans
- Contribute to single agency recording and chronologies
- Contribute to generic or specific risk assessments
- Contribute to identifying and implementing appropriate support/ intervention plans
- Attend and contribute to formal protection or risk management meetings.

*** If you are working directly to support children and families you do not need to attend General Workforce Trainer led to attend. You must however complete Level 1 and 2 TURAS modules**

Intensive Workforce – Trainer led
As part of their role, people in this workforce group will need a valid PVG and are likely to: have a lead role in:

- Compiling and implementing a multi-agency Child’s Plan and/or in decision-making relevant to a child’s welfare oversee the implementation of protection plans
- Have a specific, designated role in formal protection processes, including carrying out a child protection investigation
- Carry out specific, focused or specialist risk assessments Compile multi-agency or integrated chronologies
- Produce assessment/analytical reports
