

COMMUNITY ASSET TRANSFER SCHEME : EVALUATION PANEL TEMPLATE

ASSESSMENT CRITERIA	ASSESSMENT	SCORING GUIDANCE
BENEFITS <i>Overall best value weighing 40%</i>		
1. Vision	To what extent do the overall vision for the project and the project outcomes contribute to Local Outcomes?	<p>Very strong proposals will make a major contribution to some local outcomes, deliver transformational benefits to the community, with significant public benefit, and demonstrate clear evidence of benefits and steps it is taken to contribute to equality matters.</p> <p>Very low impact proposals will take a limited contribution to local outcomes and have a small positive effect on community benefit.</p>
2. Financial	Will the project have an overall financial benefit on public sector costs and /or enhanced provision of public benefit?	
3. Non-financial benefits	What is the impact of any non-financial benefits, including economic development, regeneration, public health, social wellbeing, environmental wellbeing, inequalities of outcome, any other benefits?	
4. Equality	What evidence has the organisation provided of how it will take into account the different needs of the community.	
VIABILITY <i>Overall best value weighting 30%</i>		
5. Leadership, Governanace and Accountability	Is there a clear plan and leadership in place for achieving the project outcomes? Are appropriate governance strctures and policies in place, and what impact will they have on the viability of the project.	<p>Very strong proposals will have a clear plan, with leadership and other roles clearly identified, clear governance in place, evidence that the level of resources and a community capacity is appropriate to the scale of the project, a longer-term plan and appropriate reporting and monitoring process.</p> <p>Very low impact proposals are likely to have show little evidence of their capacity to deliver the benefits identified.</p>
6. Use of Resources and Sustainability	Has the group identified all their resources required, such as funding, staff and volunteer resources with the appropriate skills, and are they sufficient to deliver the project? Has the group set out evidence of how the project will be funded in the longer-term, e.g. through future funding or self-finance, and what impact does this have on the long-term viability of the project?	
7. Performance Management	How does the group propose to monitor and report on the achievement of the desired outcomes, including use of resources and the delivery of outcomes?
